

Genius Total Solution 8080

Part number: XX-XXXX

Description

The Genius 1053 and Genius 3070 are built around Peaks proven technology, providing a total gas solution for the Shimadzu LCMS-8080 triple quadrupole.

Generator Details

- **Gas types:** Nitrogen
- **Integrated compressor:** No

Key Features

- **Flexible** - Available with or without internal air compressor
- **Purity** - Zero Air with less than 0.1ppm of hydrocarbon content (as methane)
- **Durable** - Few moving parts with minimum maintenance requirements
- **Single Source Solution** - One generator can cater for the requirements of multiple applications
- **Simple Installation** - Generator designed as plug & play system
- **Economical** - More cost effective than any other gas supply method
- **Convenient** - Gas on demand, no health hazards, no need to worry about running out of gas

Technical Specifications

Genius Total Solution 8080

Gas Type	Nitrogen
Start Up Time:	60 mins
Current:	0
Noise Level:	0

[PEAK Protected]TM

Peak Scientific gas generators define the benchmark in reliability, convenience and performance in laboratories around the world, and come backed with a 12 month warranty. Beyond this period however you can ensure that your investment continues to be **[Protected]** by our comprehensive generator care cover.

Our world-class aftercare support packages deliver a program of scheduled preventative maintenance whilst giving you the reassurance of instant access to worldwide technical support and priority on-site response in the untimely event of a breakdown.
